ORGANIZER CLARIFICATION | 10 OCTOBER 2026

The 7-point rally-scoring playoff tiebreaker is a LAST RESORT. First compare: (1) match record / win rate (most wins and fewest losses), (2) points earned, then (3) points conceded (lower is better). Only if the eligible teams remain exactly tied for a semifinal place after these criteria is the 7-point rally-scoring game played. Normal games use traditional side-out scoring.
